A) IF TRUMP CAN'T WIN WHEN HE IS IN POWER DO YOU THINK HE WILL WHEN ONCE HE IS NOT IN POWER -- PLEASE (He ONLY won back in 2016 because the corrupt Dem's algorithms broke when they didn't expect Trump to hit a home run)... **what the hell do you think is going to happen under 4 years of Biden, especially when if they do not have the Senate now?**

Dems will GET the Senate in 2022 (for sure if they do not get it now) and IT IS ALL OVER THEN.

Dems will, and have already started, eliminating the electoral college in many states. This process is at the same stage where things were when they weakened the election security protocols and not one conservative was able to stop it -- HENCE WHY TRUMP LOST DUE TO FRAUD.

If Reds were so powerful -- why are lock downs and FUCKING MASKS required in blue states -- WELL ONCE DEMS CONTROL THE FEDERAL GOV'T, WATCH OUT... BECAUSE THE ULTIMATE CONTROLS ARE COMING. Don't believe it -- IF I TOLD YOU THAT YOU WOULD BE CONFINED TO YOUR HOUSE IN JUST 2018 WOULD YOU HAVE BELIEVED IT?

B) Stop fooling yourselves, if you do not INUNDATE the White House Contact page demanding that Trump use martial law, it is over.

C) WAKE THE FUCK UP... THE CCP IS BEHIND EVERYTHING THAT IS HAPPENING TO LAZY ASS REPUBLICAN SHEEP. Dems are just brainwashed (they are beyond dumb)... but conservatives are like sheep being led to slaughter and keep thinking somehow there will be a Trump 2024 -- THERE WILL NOT. Have you forgotten the Impeachment? The Russia Hoax? Spying and the endless attacks --- WHILE HE WAS IN POWER... GOOD LUCK ONCE HE IS JUST A REGULAR SITTING DUCK CITIZEN -- they will kill him (Putin style) or at the very least arrest him, if he ever seeks re-election. Start following the string of accidental 'deaths' that have happened lately.

The game is over IF YOU FUCKERS READING THIS SITE DO NOT FLOOOOOOD THE WHITE HOUSE WITH DEMANDS FOR A MILITARY RE-VOTE BY MARTIAL LAW. Get it through your dumb ass Republican brains, and listen to

“ MARK LEVIN:

YOU CAN'T SAY, 'WE'LL FIGHT THEM NEXT TIME'. THERE WILL BE NO NEXT TIME; THIS HAS TO BE THE TIME!

You think you are smarter than he is? Right. Listen to him. I was a dumb ass sheep --till I got woke.

I will post another link here to make my point, but they will pull the post down if I put it in right away --  BECAUSE IT SCARES THE SHIT OUT OF EVERYONE WHO WATCHES THE VIDEO.... I WILL ADD ... LINK AS SOON AS THIS POST IS AT 3000. - PRAYING THE MODS DO NOT REMOVE IT AGAIN.

6 BINGO, ONE WAY OR THE OTHER! I think the least messy path is limited martial law as Lin Wood and 100s of others are suggesting.

2 There is nothing new here. The totalitarianism of the left goes back at least as far as the French Revolution, where the radicals sat on the left side of the meeting space (I think it was a tennis court). They were as crazy and unrestrained then as they are now - they even rewrote the calendar. The left will do WHATEVER it takes to seize, wield, and retain power - all the way to murder, as evidenced by the millions wiped out in the 20th century. For my lifetime, people have responded to my warnings that "it can't happen here" principally because Americans are not like that. Well, everyone in the world is the same, and the left everywhere is "like that." We have been blessed with structural impediments to the left's search for power, but that impediments are holding together by their last few threads. No need to go into the why of that, it is just that we are here now. Yes, this is an existential crisis - if a line is not drawn in the sand here, the last institutional barriers to the left will melt away and that shining light on the hill will be gone, both for us and for the rest of the world that looked to us as inspiration and hope for freedom.

I hope and pray, and part of me sincerely believes, that Trump has a good plan for getting this out of this mess, and then allowing him to clean house. My respect and admiration for him has grown daily. If not, then things will be a mess, and where we end up is anyone's guess.

I would like to see your links - I'm not sure what the purpose of waiting for 3000 upvotes is. Maybe you can lower that target significantly. I'm interested in seeing them for themselves, but also to see what the moderators feel is so out there in this bastion of free speech that they feel the need to bar them.

Good luck to all of us.

2 Yes, good luck to all of us -- agreed -- but just as General Flynn said, it is time for more than hope and prayer -- it is time to fight.

2 I agree with your rant in general, but:

▼ > you think you are smarter than he is?

Nobody intelligent with an ounce of intellectual integrity would ever frame that comparative, ignoring that appeal to authority is a weak argument

-3 Not tomorrow, but as you know it -- Yes. In 10-20 years you will not recognize things.

▼ Compare how 2019 looked compared to 2020... now multiply that x100 (and 2020 looks like a walk in the park)...

If we get 3000 hits, I will publish links to sites that will blow your mind wide open.

I tried many times before to keep those posts up -- so I am hoping the MODS won't pull a post with 3000 thumbs up once I reinstate the links.

You are not going to sleep at night once you see what I post.

4 Think what you want mask-wearing Hattie. People's businesses by the hundreds of thousands are gone forever. Ever ask yourself why when there is ZERO FUCKING SCIENTIFIC EVIDENCE THAT CLOSING A SMALL BUSINESS VERSUS WALMART IS BAD... OR GOING TO CHURCH VERSUS A BLM FUCK RALLY?

you have no idea how close you are, but it is even worse, as I will post once I get enough clicks that hopefully the mods do not pull it down in seconds again. It is factual and very chilling and offers video and photographic evidence that makes everyone, including former military, cringe when they see it. Trump losing is not an option and martial law is the only 100% sure way he does not.

THANK YOU OBSERVER95!

You get it. I am blown away by the complacency on this site.

Harris has a track record of arresting people who disagree with her (especially jailing the media, as did Obama).

Think of the shit Justice Kavanaugh took, and yet he cowered to the left. WOW... what is going to happen once the left packs the court, or have they so sufficiently controlled the court already they don't need to, but they have that at their disposal, let alone moving DC and PR into statehood. Kiss the Senate goodbye forever.

And you hit the nail on the head, who is controlling Biden. It is the CCP. I will post more on that as this post gets to 3000 so the Mods won't censor it again.

AMERICANS NEED TO BE VERY AFRAID.

LOCK DOWNS ARE COMING. MORE MUZZLING. THE MASKS ARE NOT JUST SYMBOLIC. SMALL BUSINESSES WILL BE SCUTTLED NOT JUST SHUTTERED.

MORE LATER.

Yes he insurrection act/martial law are his last hope and WE NEED TO SCREAM IT FROM THE TOP OF OUR LUNGS. General Flynn did and he was shut down by Trump's so called inner WH circle. I have a friend who is a close relative to one of the Flynn's. The media is BSing that Flynn did not push for ML... he did and it turned into a screaming match that the world will fall if he does not.

TRUMP NEEDS TO HEAR IT FROM THE PEOPLE LOUD AND CLEAR, THAT THERE IS CLEAR AND PRESENT DANGER AMERICANS WILL NOT SURVIVE IF HE DOES NOT USE THIS LAST RESORT.
